## STEM Storytime (Ages 3-5)

Science, Technology, Engineering, Math

**Mondays, April 24, May 1, 8, 15**  
**4 - 5 pm**

It is never too early to have fun with Science, Technology, Engineering, and Math (STEM)! Join us for four interactive STEM storytime sessions after school. Listen to fun stories and songs, then try simple fun hands-on experiments.

**For children ages 3-5 with a caregiver.**  
**Space is limited. Registration required** - visit us or call!
