

Hawthorne II /Essex Community Garden Summer Watering Schedule 2017

By signing up for the summer watering schedule your job is to make sure the gardens get watered (as needed 2-3 times per week depending on rain). It would also be helpful to do a bit of weeding when you are in the garden (if you have questions about what to weed and what to keep in the ground, please ask!). When you get to the garden, unlock the box. The code for the lock box is 1-3-5-7. Find the water key and green hose in a re-usable shopping bag (it looks like a tool more than a key). You will need the key to turn on the water by the bike racks. In the kindergarten yard you will just need to hook up the hose and turn the black switch to “on”.

Outdoor Classroom: Please water herbs, tomatoes, kale, eggplants and peppers

Kindergarten Yard: Please water steel troughs and the shrubs (there are 6 of them around the yard).

Canoe: These are native plants that don't need a lot of water but they will appreciate a spray through the hot summer if it is dry.

Shade Perennial Garden: This garden was just planted this year and would benefit from regular watering until the plants take.

It is helpful if you email or call the person who follows you on the list to let them know when you last watered or if any issues have come up. If you have any problems or questions e-mail haber.jessica@gmail.com (please note I will be away from July 19th-August 8th, and again from Aug. 19-27th)

Week	Name	Phone number	Email address
July 3-9	Zoe Comino	416-593-9733	zoe-maria.comino@tdsb.on.ca
July 10-16	Jessica Haber	416-434-9417	haber.jessica@gmail.com
July 17-23	Kynan Cheng	416-271-1924	kynancheng@gmail.com
July 24-30	Olivia Liu	416-817-1107	olivia_h_liu@hotmail.com
July 31-Aug 6			
August 7-13	Megan Easto	647-829-5819	measto@gmail.com

August 14-20			
August 21-27	Emily Duncan Nadeau	416-834-4011	emily.nadeau@gmail.com
Aug28-Sept 3
